About

Welcome to the GitHub repository for the Series Seed Documents, a standardized set of legal documents that can be quickly and easily deployed for a seed investment round. For more information on this release of the documents, please refer to the [Series Seed blog](#) or our [Release Notes](#) here on GitHub.

Contributing

We welcome contributions in the form of issues or pull requests. If you need help with this process, we've created a brief overview [here](#).

License

Series Seed is open sourced under [CC0](#).

Disclaimer

Neither I nor Fenwick & West, LLP assumes any responsibility for any consequence of using these documents. These documents have been prepared for informational purposes and is not intended to (a) constitute legal advice (b) create an attorney-client relationship (c) be advertising or a solicitation of any type. Each situation is highly fact specific and requires a knowledge of both state and federal laws and therefore any party should seek legal advice from a licensed attorney in the relevant jurisdictions. Both I and Fenwick & West expressly disclaim any and all liability with respect to actions or omissions based on this website.
